

Print & Match

edition

Welcome to our PRINT & MATCH collection!

A new mix and match story of our upholstery fabrics and contemporary prints has been evolved. Inside this catalogue, you will find a selection of newly created prints which follow the newest trends in global design. Next to each pattern, you can find our matching plain coordinate proposal from our standard upholstery collection. We hope you will find our ideas helpful when developing your 'mix' and 'match' fabric projects!

To find out more about our printed fabric offer, please contact our sales team who will also assist you details on our base fabric selection.
We look forward to hearing from you and hope you enjoy our new print collection.

About us

SIC offers a broad range of furniture and decorative fabrics for both the domestic and contract sectors. We also have our own machines for transfer print on different types of fabrics for which you will find a huge database of patterns.
We can also treat fabrics to make them fire-resistant at the request of the customer. Our extensive range of 'on trend' designs, varied textures and wide colours make our collection increasingly attractive. We are continuously expanding our collection of eye-catching fabrics in line with the fashion and market trends.
